2021 Meetings of full Council and Committees

Dates, times and locations

Current planned dates and times of meetings of the Council and its Committees are shown in the table. Further meetings will be added through the year; this document will be updated as required and information placed on the community website: www.oldburyonsevern.org.uk.

Due to the Covid-19 situation, most meetings are expected to be held 'virtually' (online) over the coming months. The council uses the Zoom platform for virtual meetings, this can be accessed via an internet-enabled device or via a phone call from any mobile or landline. Details of how to join virtual meetings are included on the agenda for the meeting. Please contact the Clerk if you require any assistance.

Extra meetings may also be held at short notice (for example, to cover urgent planning matters) and will be advertised via the website.

Agendas and minutes

Agendas will be available approximately 3 days before the meeting, from the website or via the Clerk (as above). Copies of any supporting papers circulated to councillors / committee members may also be obtained.

Minutes will be published on the website. We aim to publish draft minutes within ten working days of the meeting.

Public attendance at meetings

All meetings are open to the public to observe. Full Council meetings include a public participation period of ten minutes. Please contact the Clerk (as above) or committee Chair if you wish to speak at a committee meeting.
