

OLDBURY VILLAGE CINEMA CLUB (OVCC).

The OVCC committee is pleased to announce that our first film show for over a year will now be held on Friday 9th. July with doors opening at 19.30 and the film commencing at 20.00. This action is being taken in conjunction with the Memorial Hall and will be in line with current government Covid regulations.

The Club has proven to be a great place to meet new and existing friends and neighbours for a chat, both before and after the film. Café style seating, with candle lit tables, creates a cosy atmosphere where members can purchase ice creams and bring their own drinks and snacks, to make for an enjoyable evening.

The Club is a section of the Memorial Hall and members' fees, together with local grants, have provided the equipment and enabled improvements to be made to the Hall facilities, which is a continuing aim. Membership is open to all except those under the age of 16 which our licence precludes.

For those in the village (including recently arrivals) who have not yet chosen to join us I can only say that you are possibly missing out here. The evenings not only provide an entertainment but also the chance to meet and chat with those that you don't normally interface with.

This will be our 9th. year of existence and the OVCC has proven to be a great evening's entertainment. If you are considering becoming a member, but would like to try out an evening first, please contact the membership secretary below.
