

## **EXHIBITION.**

**As part of the country's celebrations the Memorial Hall is setting up an exhibition in the hall (Friday 8<sup>th</sup>. May) to not only commemorate the day but also as an educational event.**

**To assist our activity, we are looking for items of interest that can help us improve the exhibition. Photos, memorabilia (both from the home as well as the war front) and any associated items would be greatly appreciated. Items concerning Oldbury at that time would also be very welcome. We can assure that anything loaned to us will be kept safe and secure and will be returned intact. Please make contact on this as detailed below.**

**We are also looking for anyone (male or female) who were born in the period up to 1942 and who would be willing to sit and answer questions from the public attending the exhibition. Should you volunteer the time needed to be given would be quite limited and not more than 1-2 hours. Again. If you would like to volunteer please make contact.**

**Ian Bell – 01454 414570.**
